# Music Sounds in the World Around You

*4th Grade Choice Board*

## Overview

Find a place in your home to sit, or take a walk outside. List 5 sounds you notice.

## Reflection

Choose 1 sound each day and response to the following prompts. Use complete sentences.

1. Is the sound musical or non-musical? How do you know?
2. Is the sound living or nonliving? How do you know?
3. Does the sound have a steady pulse, or is it non-rhythmic? How do you know?
4. Does the sound change over time? How?
5. Describe what you value about the sound.
6. What do you wonder about the sound?
7. Explain how you could recreate the sound using household items.

\* Optional: Draw a picture representing the sound.
